Luce

Light

Clean, refined, and architectural

Ideal for minimal silhouettes and light outdoor structures.

Minimalist Simple refined

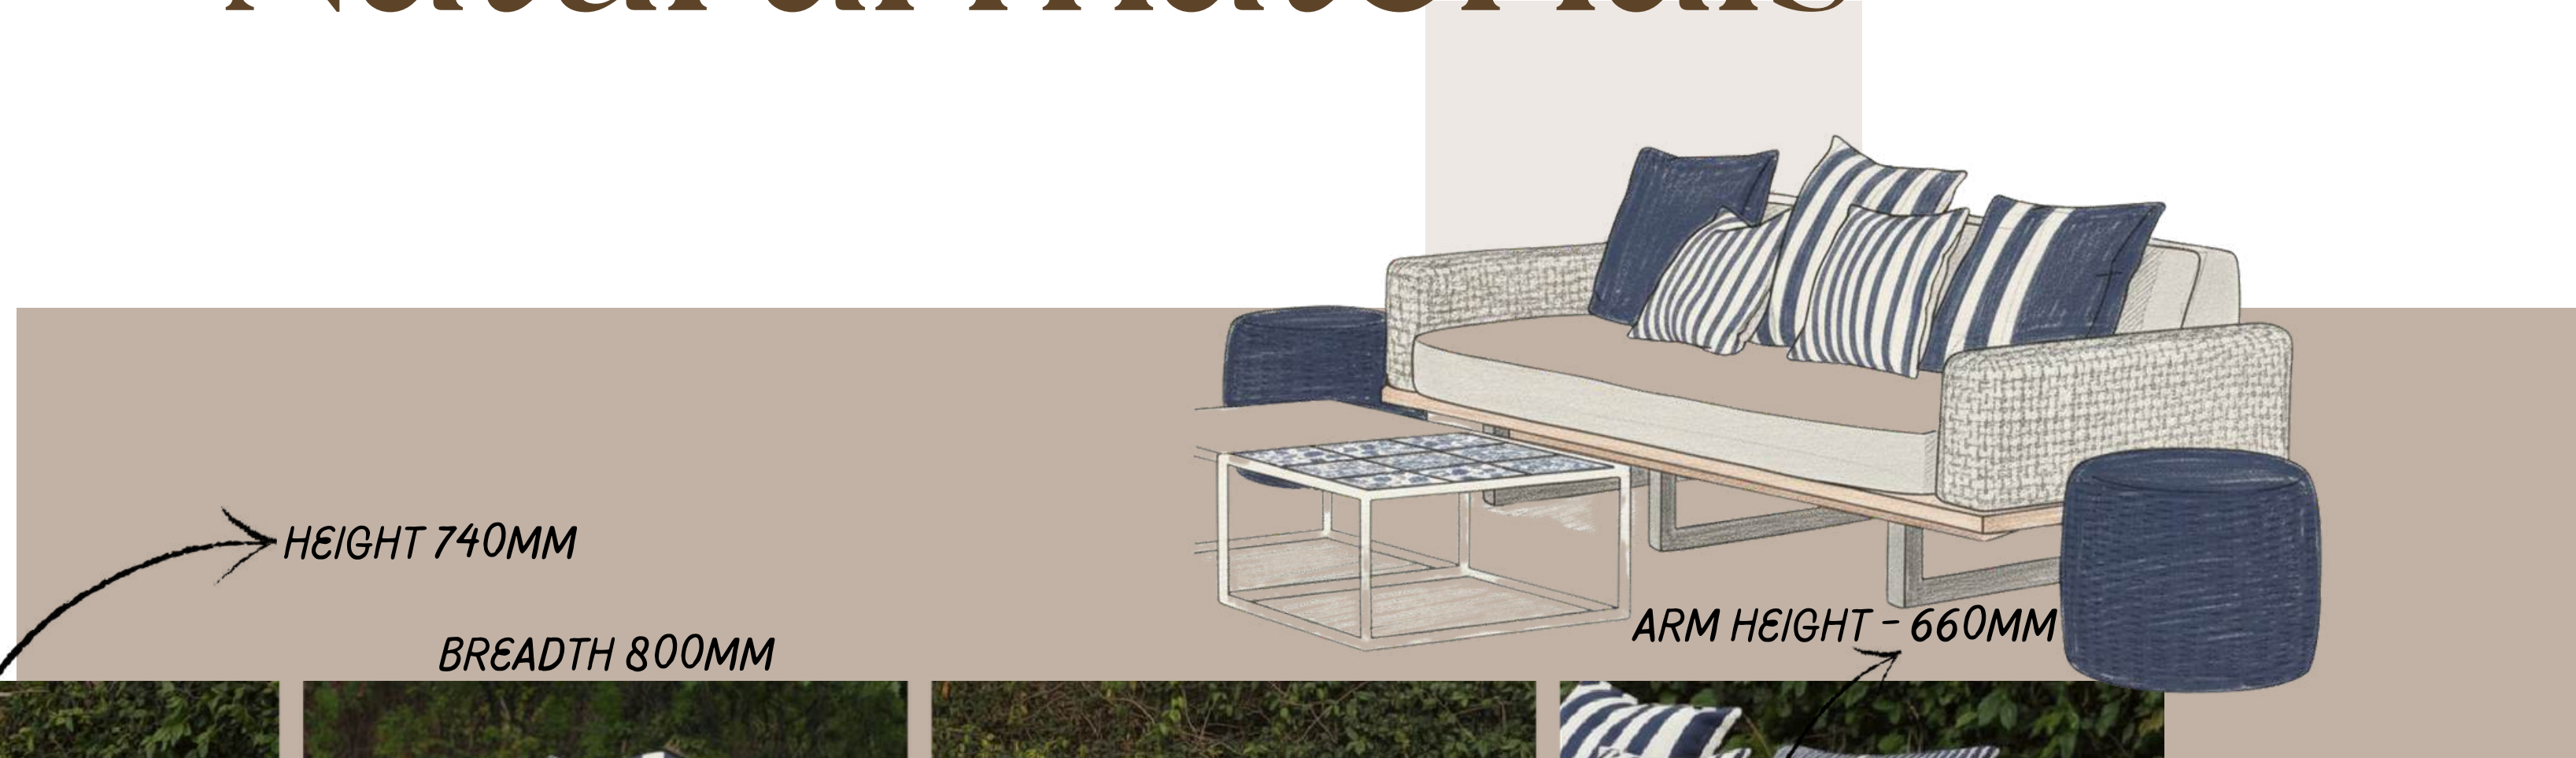

Agata Living's design is rooted in clarity and restraint. Every piece is shaped by a belief that good design should feel quiet, balanced, and purposeful rather than decorative or excessive. Clean lines, well-considered proportions, and subtle detailing define the visual language, allowing the furniture to blend naturally into outdoor environments without overpowering the space.

Scandinavian inspired furniture

Scandinavian design—simplicity, thoughtful functionality, and natural harmony—bringing them into the realm of outdoor living. The brand's design approach reflects a belief that beauty arises from clarity, purpose, and honest materials, creating pieces that feel both timeless and deeply connected to everyday life.

Dining Set

Bring timeless elegance to your dining space with this beautifully crafted indoor dining table and chair set, made from premium teak wood. Designed in a unique hexagonal shape, this piece blends natural warmth with contemporary geometry. The rich teak finish highlights the grain and durability of the wood, while the thoughtfully designed chairs ensure comfort and style for everyday dining or special gatherings. A perfect balance of functionality, craftsmanship, and aesthetic appeal."
